## COME SEE WHAT ROTARIANS HAVE ACCOMPLISHED

In 2021, Rotarians across the US and Canada have contributed over \$31,000 to the construction of solar-powered water systems in Central America in collaboration with CoCoDA. The first of these projects is complete. \$3,500 of these funds came from Ohio Rotary clubs.

Ohio Rotarians are invited to celebrate the inauguration of the Acrasame Solar Powered Water Project in La Mora, El Salvador. This tour will be from Thursday, June 9th through Tuesday, June 14th, 2022. The \$400 fee covers all in-country costs. The tour will include the following events and activities
